With a 40 year history, the Children's Holiday Party is among the city's oldest holiday institutions. Proceeds from this event provide essential support for the Museum, including programming at our Frederick A.O. Schwarz Children's Center, where each year more than 30,000 school children learn about the city's rich history and astonishing cultural diversity. It also supports our Weekend Family Programs, which provide homeless children and their families with workshops and hands-on activities, nurturing their interest in social studies, history, and creative expression.

The Museum of the City of New York explores the past, present, and future of New York City and celebrates its heritage of diversity, opportunity, and perpetual transformation. Founded in 1923 as a private, non-profit corporation, the Museum serves the people of New York and visitors from across the country and around the world through exhibitions, collections, publications, and school and public programs.

To purchase tickets to the Children's Holiday Party, or for more information, please call the Special Events office at 212.534.1672, ext. 3327 or e-mail [rnaftel@mcny.org](mailto:rnaftel@mcny.org)
