

Host your Event at the Museum of the City of New York!

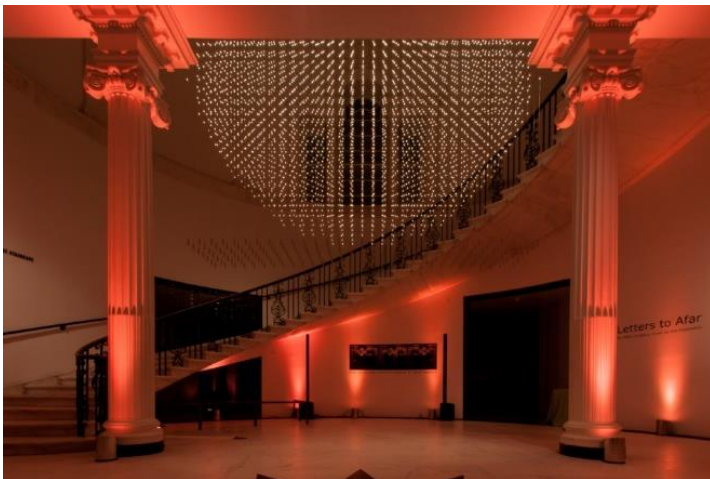

The Museum of the City of New York's landmark building on Fifth Avenue's Museum Mile, provides an elegant and unforgettable setting for your event. Highlight features of the venue include a sweeping marble staircase, the striking contemporary light sculpture Starlight, and two spacious outdoor terraces. Engaging exhibitions that explore New York City's past, present, and future serve as the backdrop to a truly customized and special evening. Having just completed a ten-year renovation, the Museum is quickly becoming a highly sought after venue for social occasions, corporate events, non-profit fundraisers, and more.
