Student Artwork Submissions Permission Form – Please Read Carefully

Dear Parent/Guardian:

Your signature on this letter grants your permission to the Museum of the City of New York to consider your child’s work for an online exhibition of student work following their participation in a MCNY Kids Create virtual program. In these programs, students see highlights from the Museum’s collections, meet NYC artists and hear behind-the-scenes stories of their work, and take part in art-making activities following the program.

Students are invited to submit photos of artwork created after the *Photographing City Life* or the *City as Canvas* virtual programs to be considered for a student gallery of work on the Museum of the City of New York’s website. All submissions of student artwork will be considered and a selection of submissions will be shown on the website.

Photos of artwork may be used by the Museum of the City of New York to document virtual programs and may appear in a report, publication, webpage, or other media about or by the Museum of the City of New York.

By signing below, you are giving your permission for the following items:

- My child’s artwork and my child’s signature, if visible in the artwork or photograph, may be published, republished, reproduced, edited, exhibited, used, or distributed by the Museum of the City of New York to support its education programs featuring student art.
- I understand that if my child submitted a photograph of themselves (self-portrait) or someone else who they know (portrait), that they (or if minor, their parent or guardian) have given consent to show it on the Museum’s website featuring student submissions.

Check here if you read and agree to the terms above
